Our Services

Supporting Businesses at All Stages of Development

AUDIT

At Moores Rowland Indonesia, we deliver audit and assurance services to support transparency, governance, risk, and compliance (GRC) and sustainable growth.

Our areas of expertise include:

Statutory Audit; NGO/Grant Audit; Special & Forensic Audit; Standards Expertise: IFRS, US GAAP, SAK, and more; Risk Management; Sustainability (ESG); Human Rights; Information Technology; and Other Services.

We combine global standards and local needs to ensure your organization will survive today's turbulent times and be sustainable in the long term.

ACCOUNTING AND OUTSOURCING SERVICES

Moores Rowland offers flexible and cost-effective outsourcing solutions tailored to client needs. Our services include accounting, payroll, HR advisory, back-office operations and Employee on Record (EOR) services which includes sourcing, recruiting and employee management. We ensure clients are in compliance with related statutory regulations, can reduce overhead and focus on their core business. All services are backed by secure, industry-leading technology for seamless, global access and collaboration.

TAX SERVICES

In today's dynamic business environment, a proactive and strategic approach to tax is no longer a luxury, it's a necessity for sustainable growth and compliance. Our integrated tax services are designed to navigate this complexity, transforming tax from a mere compliance obligation into a strategic business function.

CORPORATE FINANCE AND CONSULTING

With over 30 years of combined expertise, we provide comprehensive Corporate Finance and Consulting solutions through Transaction Support and Strategic Advisory services.

- **Lead Advisory** – Lead and guidance in M&A, funding, and divestment.
- **Due Diligence** – Helping companies pinpoint potential financial, legal, tax and human rights risk of the potential business partner.
- **Valuation** – Helping companies measure the value of their businesses by providing independent and well-supported valuations.
- **Strategic Advisory** – Enhancing performance through process and digital transformation.

LEGAL SERVICES

We assist foreign investors establish and operate in Indonesia, from market entry advice to obtaining permits and ensuring legal compliance. In addition to corporate law, our legal services include intellectual property, copyright, and mediation.

- Company Formation
- Company Restructuring
- Merger and Acquisition
- Liquidation
- Legal Due Diligence
- Corporate Governance
- Securities Law
- Commercial Law
- Property Transactions
- Environmental Law
- Labor Law and Work Permits

SUSTAINABILITY ASSURANCE

Moore's Rowland Indonesia offers independent sustainability assurance to assess corporate reporting on environmental, social and governance performance. Our services enhance credibility and transparency, supporting informed stakeholder decisions. We work with leading companies across various sectors such as mining and telecommunications, offering audits on sustainability, CSR implementation, and good governance.

HUMAN RIGHTS CONSULTING & TRAINING

Through its collaboration with the Foundation for International Human Rights Reporting Standards (FIHRRST), Moore's Rowland Indonesia provides human rights consultancy and capacity-building services. We enable companies to assess compliance with human rights standards, develop strategies and policies, conduct training, measure impacts, and prepare reports, ensuring alignment with international and national human rights regulations.

HUMAN RIGHTS DUE DILIGENCE (HRDD)

Moore's Rowland Indonesia, in collaboration with the Foundation for International Human Rights Reporting Standards (FIHRRST), supports businesses in identifying and managing human rights risks in line with UN guidelines. Our services include risk assessments, policy reviews, and guidance to help integrate human rights into daily operations and meet ESG and regulatory standards.

INTERNATIONAL AGENCY AND DONOR WORK SERVICES

We work with a variety of international donors and agencies to support development projects in Indonesia. Our experience spans initiatives funded by organizations such as the **World Bank, UN agencies, the EU, ADB, USAID, and Bappenas**, helping ensure successful project implementation.

STARLING RESOURCES

Part of Moore's Rowland Indonesia, Starling Resources is a Bali-based sustainability consulting firm with over two decades of experience across Indonesia and the Asia Pacific. The Starling team combines technical expertise with a deep understanding of local contexts to address complex marine and terrestrial resource management challenges, including conservation, institutional strengthening, and sustainable commodity development.

OUR CONNECTIONS:

Regional Strength in the Asia Pacific with a Global Reach

Global Access Through The Praxity Alliance.

As a member of the Praxity alliance, we're connected to one of the world's largest alliance of independent accounting firms, with:

400+ Offices

70+ Countries

We offer local insight with international reach, helping businesses expand confidently with trusted support wherever they operate.

"EMPOWERING GROWTH. CONNECTING OPPORTUNITIES. BUILDING TRUST."

Our Regional Strength in the Asia Pacific

From our base in Indonesia, we play an active role in supporting cross-border projects across the Asia Pacific.

Our professionals collaborate with Praxity member firms, delivering seamless advisory and compliance solutions for clients throughout the region.

Whether guiding inbound investors entering Indonesia or assisting Indonesian companies expanding abroad, we serve as a trusted regional hub, recognized for our leadership, innovation, and commitment to quality.

Through our global network, clients benefit from coordinated expertise, shared best practices, and consistent quality across markets.
